Execution Plan CVWO Assignment AY20/21

I am year 2 CS student and it is the second year I am applying to CVWO, so I will continue from last year's assignment and improve it.

Previous assignment AY 19/20 :

    1. CRUD of todo task

    2. Only one user allowed for whole portal

    3. A dropdown menu to select certain task category

    4. Deployment on Heroku https://gycctodomanager.herokuapp.com/

Next AY 20/21:

    1. Include create account, sign in function

    2. each user has its individual todo manager

    3. Dockerize the project
